

Join the Fun!
April 9 – April 13, 2018

Use book covers to create photos that blur the lines between reality and imagination. You can use a book from the SHS Library or use your own.

(Samples)

- Contest open to students & staff.
- Entries accepted April 9 through April 20.

Prizes awarded for the best student and staff entries!

Step 1: Find a book with a face or body on the cover.

Step 2: Line it up with your body so it looks like your body with their head, or their head with your body.

Step 3: Take a picture!

Step 4: Share your picture with SHS Librarian, Mrs. Mutter in the LRC mutter@saalemnj.org

- Be sure to include your name with the photo.

TIPS:

- If the face on the book cover is the same size as your face, hold the book close.
- if the face is smaller than your face, hold the book further away.
- Get friends to hold the book, take the picture, or pose with you.
- Google *Bookface* for more ideas.
